

# CENTRAL LIBRARY

COLLEGE GREEN, BRISTOL

4 The Bristol Central Library was upgraded with a new entrance and access ramp, a new computer facility for the public, and a thorough rationalisation of the internal layout. Changes were concentrated into the 1960's extension to allow the original Holden Library to be retained as originally designed.

8 the proposal through the many agencies connected with the management of the library.

Client: Bristol City Council  
 Contractor: E R Hemmings Ltd  
 Date: 2001  
 Value: £ 500,000
